Notice inviting EoI

Handique Girls' College, Guwahati, invites Expression of Interest (EoI) from Civil Engineers to undertake the preparation of plan and estimate for repair and rehabilitation works in the eastern wing of an Academic Building in its campus at Dighalipukhuripar, Panbazar, Guwahati-1.

The applicant should be a graduate in Civil Engineering with a minimum of 5 years of experience, as on 01.04.2018, in the preparation of plan and estimate for repair, rehabilitation and waterproofing of stressed buildings.

Interested engineers and firms can inspect the building in the College premises from 17.04.2018 to 21.04.2018, between 3.00 p.m. and 5.00 p.m., to familiarise themselves with the nature of the work before submitting their EoI.

The format for submitting the expression of interest can be obtained from the Office of the Principal, Handique Girls' College from 17.04.2018. The duly filled in format, along with copies of documents attesting qualification and experience, must be submitted in a sealed envelope in the drop box at Handique Girls' College by 2.00 p.m. of 23.04.2018. Expression of Interest submitted without the required documents in support of qualifications and relevant work experience will be rejected.
